

### **Garages close to Central Park Conservatory Water**

Here are six garages prioritized based on their proximity to the pond but all are within five short blocks. #1 on the list, the garage on 72<sup>nd</sup> Street is the best because 72<sup>nd</sup> St. flows both directions and this one's closest to the park.

I've also keyed the garages on the attached street map along with the location of the pond, which is accessed via the highlighted path off of Terrace Drive, the street into the park @72<sup>nd</sup> St, which is closed to traffic on Saturdays.

Please note, the garages with 5<sup>th</sup> Ave. addresses are under buildings with 5<sup>th</sup> Ave. door entrances but the actual garage entrances are around the corner from 5<sup>th</sup> Ave on the specified numbered street.

Most have small "Park" signs but are discrete because of the neighborhood. Take your time and keep an eye out. Also, check out the map and be aware of the direction each street flows.

1. 910 5<sup>th</sup> Ave.  
Enter on the north side of 72<sup>nd</sup> second street just in from the park. The sign may be semi-hidden by building scaffolding.
2. 923 5<sup>th</sup> Ave.  
Enter on the south side of East 73<sup>rd</sup> St. across from 2 East 73, just around the corner from 5<sup>th</sup> Ave.
3. 10 East 70<sup>th</sup> St.  
Enter on the south side of 70<sup>th</sup> St just in from 5<sup>th</sup> Ave.
4. 880 5<sup>th</sup> Ave.  
Enter on either the north side of 69<sup>th</sup> St. next to 3 East 69<sup>th</sup> or enter from the south side of 70<sup>th</sup> St.
5. 4 East 76<sup>th</sup> St.  
Enter on the south side of 76<sup>th</sup> St. just in from 5<sup>th</sup> Ave.
6. 860 5<sup>th</sup> Ave  
Enter on East 67<sup>th</sup> St. across from 4 East 67<sup>th</sup>.

### **Boat Drop-off**

If you get a spot in the 72<sup>nd</sup> St. garage, it may be easiest just to haul you boat from the garage. We'll have a few people to help. Or if we can coordinate with phone calls, you should have enough room to pull into the park entrance area at Terrace Drive off East 72<sup>nd</sup> St. and we can have a few people there to carry your boat, rig, etc. to the pond while you park.
