

US VMYG Newsletter / Journal Index

Prepared by Ken Young

The following is an index of the newsletter (through Volume 18, Number 2) and the journal (beginning with Volume 19, Number 1). The list indicates the major articles that appeared in the publications of the US VMYG when it began in the Spring of 1997. It does not include the editor's comments, the president's message, planned activities, and organizational items such as the leadership list.

~ NEWSLETTER ~
